Name	All American Demo/rosegold		
Limited Edition	1898 pieces		
Description	<p>The Conklin Pen Company® was established in 1898 during the golden era of fountain pens, and is still regarded as one of the most prominent pen manufacturers today. Inspired by Conklin's original models and the rich heritage of the brand, the new limited edition All American Demo/Rosegold balances classic and contemporary to create timeless designs. Crafted from handmade European high-grade resin, the All American Demo/Rosegold is developed to bring comfort and durability, with a carefully tapered cap and barrel. The tapered cap tops feature "rocker style" clips, and barrels are engraved with the Conklin trademark and All American logo. Each pen has Limited Edition number engraved on the bottom part of the cap. This edition is limited to 1898 pieces and is suited to individuals looking for a well-sized pen with a unique design, that still rings true to original Conklin designs. Lustrous Rosegold plating adorns the clip and parts, enhancing the elegance of each pen. The barrel holds 5 ml of ink that will keep you writing for a long time. Each Conklin brand writing instrument is housed in a luxury gift box. The All American Demo/Rosegold is an ideal gift for any person in your life, whether they use the pens in their professional lives, home offices, or as a style accessory.</p>
