PRODUCT INFORMATION			
<b>Season</b>	Current collection (Special Edition)		
<b>Brand</b>	Conklin		
<b>Name</b>	Duragraph Voyager		
<b>Limited Edition</b>	N/A		
	<p>Duragraph Voyager Wood and resin - a splendid combination! The Conklin Pen Company® was established in Toledo, Ohio USA in 1898. From the Golden era of fountain pens until today, it's regarded as one of the most significant and innovative American writing instruments manufacturers. Shortly after its launch in 1923, the Duragraph model is considered to be 'the definitive' pen. It's named by combining the words "durable" and "graph" to equal Duragraph™.</p> <p>Duragraph Voyager, the new addition to this timeless collection, is skillfully handcrafted from elegant Birchwood and high-end European grade resin. The fine wood grain texture on the barrel beautifully complements the translucent amber color resin of the cap. Lustrous chrome plating adorns the clip, band, and trim of each pen. The cap top is embellished with the Conklin® Est. 1898 logo and the cap band are engraved with the famous Duragraph™ model script font with three Conklin® crescents on either side of the model name.</p> <p>The Duragraph Voyager is available in fountain pen and ballpoint pen. The ballpoint pen activates with a twist mechanism and accepts Monteverde® ballpoint refills P1 and P4. The fountain pen is equipped with a Premium JoWo steel #6 nib in Extra Fine, Fine, Medium, Broad, Stub, or Omniflex points and fills via cartridge or converter (both included). Each Conklin pen is sold in a luxury blue gift box with a custom-designed sleeve.</p>
